## WeGolf News

### 15/06/2010: WeGolf Version 6.4 Released

WeGolf version 6.4 has just been released for all mobile platforms with an exciting new feature:

### *Facebook integration*

It is now possible to share your golf scorecard live via your Facebook Wall.

#### **Sharing your score while playing (live):**

While using the Scorecard, from the *Options Menu* select “Share Round + Facebook” to publish your round live as you play it.

#### **Sharing a previously played round:**

From the Main Menu Select “Rounds”, then from the *Options Menu* select “Share Round + Facebook” to publish a round that you have already played.

When you publish your round a link to your scorecard will be placed on your Facebook Wall.

The first time that you share your round, you will be asked to log into your Facebook account.

Configure your Facebook account prior to going to the golf course from the *WeGolf Tools Menu*.
