

Get WeGolf For Free!

For a limited time only, WeGolf will give you a chance to get a free copy of the best mobile phone GPS software for **absolutely free**.

If you already own, WeGolf, we will extend your subscription for another year **absolutely free**.

There are no gimmicks and no hidden agendas, WeGolf is about community and we want to help the WeGolf community and you are the beneficiary.

New Users

If you don't own WeGolf and you want to get a free copy, here's how:

- Download the Free Trial to your phone
- Map any 3-courses that are currently not in our database complete with the course name, address and scorecard data
- Let us know you want to take advantage of this *free offer* by sending an email to admin@wegolf.com.au with the subject "Free copy offer we will extend your Free Trial for 30-days to give you the time to map the courses. Make sure you send us your name, mobile phone number and your telco
- Map the courses using your phone – see the FAQ on how to easily do this
- Publish the course to your home directory and contact us and let us know, you've completed the mapping

Once you've mapped your 3-courses, WeGolf will give you a permanent WeGolf 1-year license absolutely free!

Existing Users

- Map any 1-course that is currently not in the WeGolf database complete with the course name, address and scorecard data
- Publish the course to your home directory and contact us to let us know that you have mapped a new course by sending an email to admin@wegolf.com.au with the subject "New Course – Name of Course"

Once you mapped your course, WeGolf will extend your existing subscription to WeGolf with a 1-year license absolutely free!
